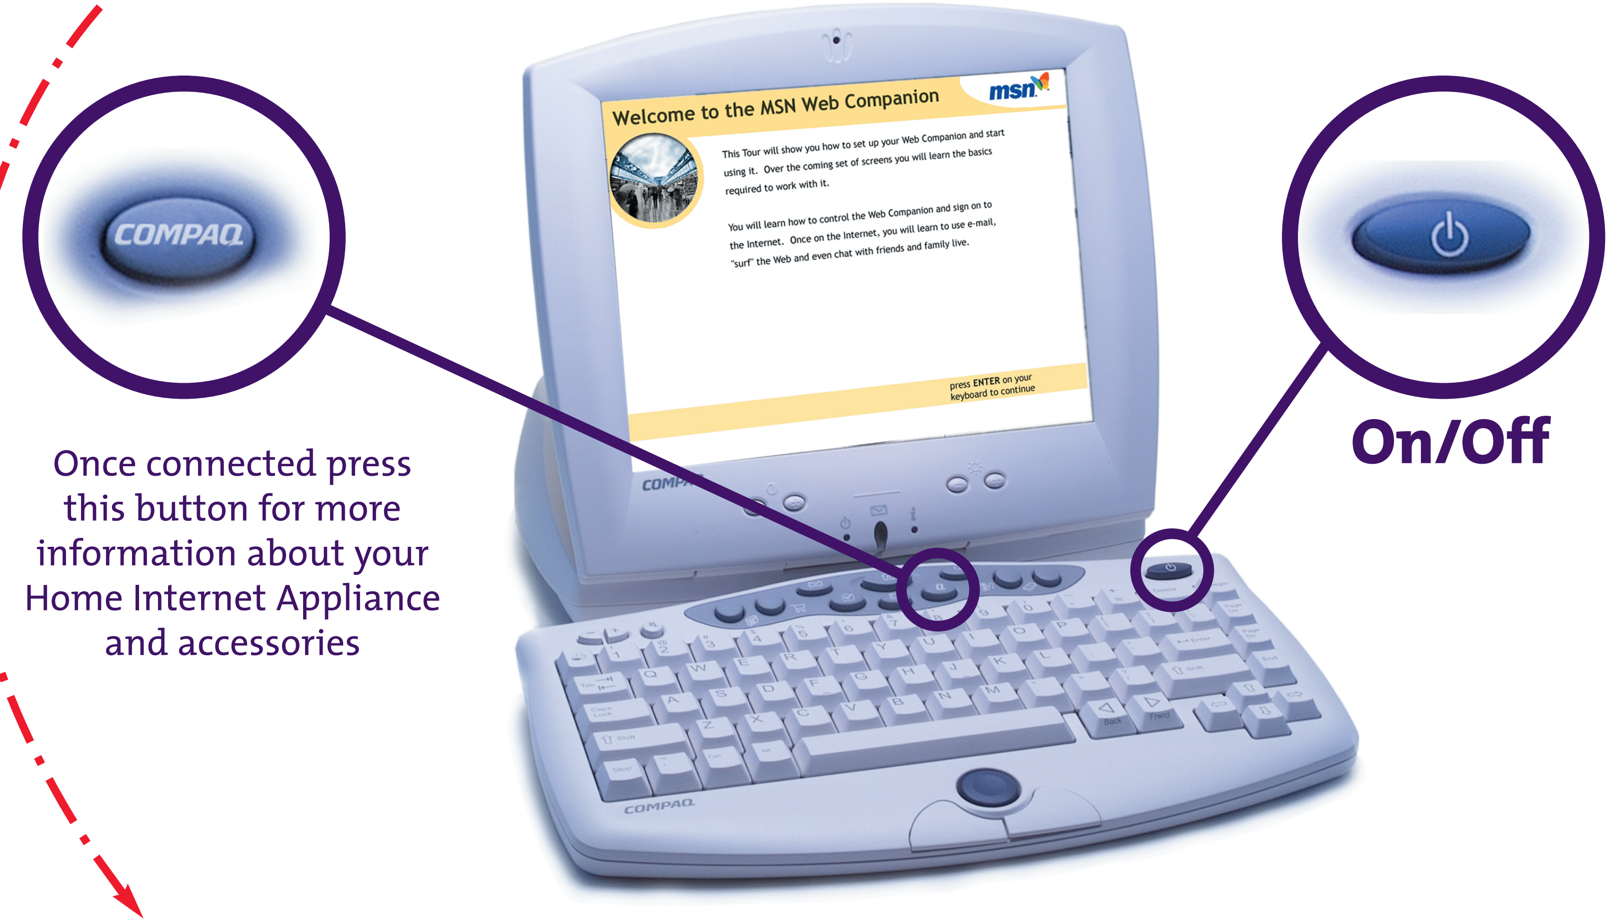
In the event that you have not signed up for MSN Companion service before leaving the store, please call 888-765-2411 now.



Welcome to the MSN Web Companion

This Tour will show you how to set up your Web Companion and start using it. Over the coming set of screens you will learn the basics required to work with it.

You will learn how to control the Web Companion and sign on to the Internet. Once on the Internet, you will learn to use e-mail, "surf" the Web and even chat with friends and family live.

press **ENTER** on your keyboard to continue

Once connected press this button for more information about your Home Internet Appliance and accessories
